

## Gravel/Rock Blue Heron Cul-De-Sac

The project described below is for beautification and to aid in maintenance of a common area.

**Project Description:**

- Place 5/8" gravel on the walking path between the last house -- [2994 Blue Heron Ln](#) -- on Blue Heron lane and the RV fence line.
- Place 1" black chip rock around the center planting.

Please see photos below.

**Project Purpose:** Beautification and to reduce weeds and maintenance.

**Project Background & Funding:** This project is funded through donations from members. No impact to HOA budget

**Irrigation:** No irrigation needed

**Maintenance Requirements:** Negligible.

**Project Consultants:** Doug Frasier to lead project.
